Dear Friends

I pray that you are well at this time.

Have you been home schooling? Learning is a very current issue. Whilst children and their parents have had the challenge of home schooling, many of us have had to learn new things. Whether it be how to use new technology such as WhatsApp, Facetime or Zoom, learning to keep that 2 metre distance or – in my case – how to create online services.

Learning is not something that stops when we leave school, or even when we retire. We are always learning. Sometimes it is small steps, other times – such as during lockdown – it is great leaps.

We would like to learn more about you, our readers – which parts of the magazine you like, what you find useful and things you would like to see added to the magazine. We can't promise to implement every idea, but we would like to learn more. To this end we have created a short online survey we would be grateful if you would complete – you can do this by going to www.parishmagrudgwick.co.uk and following the link.

For those of you without computers, you will find a copy of the survey on the green colour page in the middle of this month's magazine. We would be grateful if you could pull this page out of your magazine, complete the survey and return it to the Church office or The Vicarage.

Thank you and every blessing

Martin King

PS. Please see page 2 for more information about services in Holy Trinity and St John's. Do check the Church website www.rudgwickchurch.org.uk for the latest details
