

THE WEST SUSSEX ANTIQUE TIMBER COMPANY LIMITED

As suppliers of the finest traditional oak floor on the market, it is no surprise our clientele includes names such as The National Trust and English Heritage. If you require an oak floor we will supply and fit random width planks, from 150mm - 280mm wide, hand planed and stained on site,

to the clients choice of colour with our range of antique oils. Our solid oak flooring is suitable to be laid over underfloor heating. The West Sussex Antique Timber Co also supply and fit parquetry flooring and offer a complete in-house joinery and fitting service.
